My check engine light has been coming on since June. They clear the code, they tell me it is the gas. Finally they have had it for two weeks the car was causing a carbon build up on the fuel injectors. they showed me the photos and it was bad for a brand new car. i did everything the book says, 87-90 octane, put Techron in every 6 months, picked up the car and 8 miles later the check engine ...

Check engine light | Kia Niro Forum

There are many reasons why the check engine light might come on in your Kia, but not all of them are serious. For example, one of the more common reasons for the light to come on is a faulty gas cap.

"Advanced Automotive Engine Performance, published as part of the CDX Master Automotive Technician Series, provides technicians with advanced training in modern engine technologies and diagnostic strategies. Taking a strategy-based diagnostic approach, it helps students master the skills needed to diagnose and resolve customer concerns correctly on the first attempt. Students learn how to diagnose engine performance, drivability, and emission systems concerns. Ideal for advanced courses in light vehicle engine performance and for students preparing for ASE L1 certification, Advanced Automotive Engine Performance equips students with the skills necessary to successfully maintain, diagnose, and repair today's gasoline engines"---

"The automotive maven and former Member of Parliament might be the most trusted man in Canada, an inverse relationship to the people he writes about." - The Globe and Mail Lemon-Aid shows car and truck buyers how to pick the cheapest and most reliable vehicles from the past 30 years of auto production. This brand-new edition of the bestselling guide contains updated information on secret service bulletins that can save you money. Phil describes sales and service scams, lists which vehicles are factory goofs, and sets out the prices you should pay. As Canada's automotive "Dr. Phil" for over 40 years, Edmonston pulls no punches. His Lemon-Aid is more potent and provocative than ever.

A guide to buying a used car or minivan features information on the strengths and weaknesses of each model, a safety summary, recalls, warranties, and service tips.

For the first time in one volume, Phil Edmonston, Canada's automotive "Dr. Phil," covers all used vehicles, packing this guide with insider tips to help the consumer make the safest and cheapest choice possible from cars and trucks of the past 25 years.

Chances are you've heard of the Law of Attraction, but what do you really know about it?
