Dubai Civil Defence Product Approval Scheme. As fire testing must consider all applicable provisions of the intended product certification, Dubai Civil Defense provided their own approval and certification scheme. Basically, all products which have been designated to qualify for the fire rating approval under the Products Approval Scheme must submit proof that the product carries Certification from one of approved Fire Certification Bodies.

In 2002, IDEAL mineral core fire rated doors- developed through in-house R&D- were perhaps the first of their kind to appear in the UAE market with international test certification from Chiltern International Fire Lab (UK, now known as Exova Warrington) where these doors were successfully tested to BS 476 Part 22 of 1987. Subsequently, IDEAL doors were approved by various Civil Defense Authorities for 60, 90 & 120 minutes fire rating based on individual test evidence and later on, these ...
