A "little" but thorough book which uses the foundation of the Bible (not popular psychology) to develop appropriate instruction on how to train children. The book is intended not to be an exhaustive child-training manual, but to give a biblical framework upon which to build practical standards for discipline and manners in the home.

This trendy design features black & white line art and a two-color pink and black interior. The art will tie to each how-to topic in the book—how to make the best pink cookies, how to wear a tiara, how to earn money at home, how to care for a royal dog, how to be respectful, how to use good manners, how to help Mom, how to follow Jesus, how to act like a princess when things go terribly wrong, and many more.

Here is the perfect little book for anyone—teenage or otherwise—who has ever wanted to master the art of good table manners. Written by Walter Hoving, former chairman of Tiffany's of New York, it is a step-by-step introduction to all the basics, from the moment the meal begins ("It is customary for the young man to help the young lady on his right to be seated") to the time it ends ("Remember that a dinner party is not a funeral, nor has your hostess invited you because she thinks you are in dire need of food. You're there to be entertaining"). In addition to the essentials about silverware, service, and sociability, it includes many of the fine points, too—the correct way to hold a fish fork, how to eat an artichoke properly, and, best of all, how to be a gracious dining companion. Concise, witty, and illustrated with humor and style by Joe Eula, this classic guide to good table manners has delighted readers of all ages for more than 50 years.
