"Rebecca Rupp's magical tale . . . radiates a glow as golden as the dragon's scales." – Boston Globe Hannah, Zachary, and Sarah Emily are spending the summer at their great-aunt Mehitabel's house on faraway Lonely Island. There, in a cave hidden high above the ocean, they discover a fabulous creature: a glittering three-headed golden dragon with a kind heart, an unpredictable temper, and a memory that spans 20,000 years. Transported by the magic of the dragon's stories, the children meet Mei-lan, a young girl in ancient China; nineteenth-century cabin boy Jamie Pritchett; and, in more recent times, Hitty and her brother, Will, who survive a frightening plane crash on a desert island. In this fluidly written novel, Rebecca Rupp explores what three children from the present learn from the past - and from an unlikely but wise and generous friend.

In the long-awaited follow-up to *The Dragon of Lonely Island*, three adventurous children find further intrigue on a tiny Maine island where a talkative three-headed dragon lives out its days. With their parents off to London on a special trip, Hannah, Zachary, and Sarah Emily are thrilled to be going back to Aunt Mehitabel's house on Lonely Island. Though their favorite aunt can't join them, they know their tummies will soon be filled with Mrs. Jones's mouthwatering cookies and their minds full of Fafnyr, the fabulous creature they befriended last summer. The glittering three-headed dragon remains safely hidden in a cave high above the ocean, waiting for the children's return. But is Fafnyr's hiding place safe? As the children nervously discover, a white yacht is now anchored off the private island, and a crew led by billionaire J. P. King has been scouring onshore, supposedly watching birds. The children have promised to keep Fafnyr's existence a secret, but it's hard to know if the smooth-talking Mr. King is friend or foe. Only Fafnyr's own stories can lead the *Dragon Friends* to the heart of the mystery, as they teach the children to think more clearly, to make the right decisions - and to discover what's worth fighting for.

For fans of *Dragons Love Tacos* comes a fresh, funny story that deals with everyone's least favorite thing: a cold. Is your dragon sleepy? Does he have a runny nose? Does he keep sneezing fire? Unfortunately, it sounds like your dragon has a cold. But luckily, this guide will help anxious dragon owners through the challenges of caring for their sick dragon! Balancing tongue-in-cheek humor through Charles Santoso's illustrations with gentle reassurance, this story proves that laughter really is the best medicine and will appeal to anyone who has felt under the weather.

The village wanted Sigrun's life extinguished the moment she was born. She was an abomination. Unlike everyone else in her village who had beautiful feathered wings, Sigrun was born with the wings of a dragon. Saved by the love of her father, Sigrun remained in the village and grew up among them after all, but that was not the end of her struggle. One morning, Sigrun finds her father murdered and her brother missing. She sets out to find her brother and seek out her father's killer, but instead she meets a mysterious stranger that she is drawn to despite her better judgment. He becomes very involved with her cause and convinces her that her father's murder is only the beginning. War is coming.
