"The Emancipation Proclamation" by Abraham Lincoln. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten - or yet undiscovered gems - of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Nominated as one of America ' s best-loved novels by PBS ' s The Great American Read " It is universally read, from the cabinet council to the nursery, " remarked Alexander Pope when Gulliver's Travels was published in 1726. One of the unique books of world literature, Swift's masterful satire describes the astonishing voyages of one Lemuel Gulliver, a ship's surgeon, to

surreal kingdoms inhabited by miniature people and giants, quack philosophers and scientists, horses endowed with reason and men who behave like beasts. Written with great wit and invention, Gulliver's Travels is a savage parody on man and his institutions that has captivated readers for nearly three centuries. As bestselling author and critic Allan Bloom observed: "Gulliver's Travels is an amazing rhetorical achievement. Swift had not only the judgment with which to arrive at a reasoned view of the world but the fancy by means of which he could re-create that world in a form which teaches where argument fails and which satisfies all while misleading none." This representative collection of Swift's major writings includes the complete Gulliver's Travels as well as A Tale of a Tub, "The Battle of the Books," "A Modest Proposal," "An Argument Against Abolishing Christianity," "The Bickerstaff Papers," and many more of his brilliantly satirical works. Here too are selections from Swift's poetry and portions of his Journal to Stella. Swift's savage ridicule, corrosive wit, and sparkling humor are fully displayed in this comprehensive collection.

Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. Strengthening Forensic Science in the United States: A Path Forward provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. Strengthening Forensic Science in the United States gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

This modern classic celebrates the tradition of tamales and family bonding at Christmas. Christmas Eve started out so perfectly for Maria. Snow had fallen and the streets glittered. Maria's favorite cousins were coming over and she got to help make the tamales for Christmas dinner. It was almost too good to be true when her mother left the kitchen for a moment and Maria got to try on her beautiful diamond ring . . . This is the story of a treasure thought to be lost in a batch of tamales; of a desperate and funny attempt by Maria and her cousins to eat their way out of trouble; and the warm way a family pulls together to make it a perfect Christmas after all. Also available in Spanish as ¡Qué montón de tamales!

This practical book contains over 100 different speaking exercises, including interviews, guessing games, problem solving, role play and story telling with accompanying photocopyable worksheets.

Provides exercises designed to stimulate vocabulary growth, offers specially designed sections to build skills required for standardized tests, and introduces three hundred new words.
