Harry Uhane Jim is one of the last Kahuna of Lomilomi, Keeper of the Deep Mysteries of authentic Hawaiian esoterica. He shares the secrets of this ancient oral tradition with readers for the first time in Wise Secrets of Aloha. Recognizing that the world is in great peril, Kahuna Harry was blessed by the Halau Guardians who instructed him to share the true teachings and tools of Lomilomi for the practice of physical, emotional, and spiritual healing. He writes: "Now is the time to share aloha with humanity. `Aloha' means the Breath of God is in our Presence. It is time to reveal the profound Lomilomi secrets of the kahunas for personal and planetary peace."

Wise Secrets of Aloha is as simple as it is profound, as contemporary as it is ancient. It is true to Hawaiian esoteric teachings and available to all who bring the right attitude. Aloha calls. Listen in the the splash of waves, in the breeze-- the air is filled with aloha. All the abundance, joy, and freedom from old wounds readers have ever yearned for can be found by adopting the aloha spirit.

Focusing on techniques of spiritual development and awareness of the presence of spirit in ordinary life, Robbins challenges the reader to move beyond spiritual blockages and obstacles and raise the vibrational frequencies that bring us to greater enlightenment. This reduces negative emotions such as despair, meaninglessness, and unhappiness. Robbins wants to help us increase our pro-social activity thereby contributing to a more open-minded service towards others. In this book he shows how to use effective techniques for practical and spiritual change while following a path of heart.

This extraordinary overview of traditional and contemporary lomi-lomi massage offers a unique opportunity for readers to discover the value and wisdom of Hawaiian cultural healing practices. Richly illustrated, this book provides an intimate and easy to digest portrait of lomi-lomi from the perspective of the Hawaiian people. It contains new photos and a thorough presentation of many popular techniques, including the use of hot stones, plant medicines, and salt water. This new second edition is the only comprehensive source in print today on this unique Hawaiian art, and Author Nancy Kahalewai's entire approach is one of reverence and respect.

A simple practice to heal your past and cleanse negative memories to live a more peaceful and harmonious life • Details how to apply Ho'oponopono to deal with traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other

disagreeable event in your life, from traffic jams to relationship break-ups • Draws on the new science of epigenetics and quantum physics to explain how Ho'oponopono works • Explains how the trauma of past events can cloud your perceptions and reveals how to break free from the weight of your memories Based on an ancestral Hawaiian shamanic ritual, the healing practice of Ho'oponopono teaches you to cleanse your consciousness of negative memories, unconscious fears, and dysfunctional programming and grant yourself forgiveness, peace, and love. The process is deceptively simple--first you must recognize your own responsibility for creating the events in your life, then you are ready to apply the mantra of Ho'oponopono: I'm sorry, Forgive me, Thank you, I love you. Repeated several times over a dedicated interval, the negativity is replaced with inner peace, love, and harmony--and, as the stories in this book show, sometimes even miracles take place. In this step-by-step guide, the authors explain how to apply Ho'oponopono to traumatic past events, destructive thought patterns, family dynamics, daily annoyances, or any other disagreeable event in your life, from traffic jams to relationship break-ups. Drawing on quantum physics and epigenetics, they explore how Ho'oponopono works--how thoughts and consciousness can affect the expression of your DNA, the materialization of your goals, and the behavior of those around you. They explain how negative thought patterns and memories unconsciously guide your life and draw more negativity to you, perpetuating the cycle of bad events and clouding your recollection of the past. By apologizing to yourself, your memory, and the event in question, you can forgive yourself, heal your memories, and cleanse your perceptions. By reconciling with yourself, you open your heart to love for your experiences, yourself, and others and bring harmony to your mind, body, and the world around you.
